

BALSA BANDITS R/C MODEL CLUB

The Torrington based Balsa Bandits R/C Model Club currently has openings in the membership roles. For a very limited time we are waiving the usual initiation fee for new members. Membership is \$60 annually.

We are an Academy of Model Aeronautics (AMA) affiliated club and are also associated with International Miniature Aircraft Association (IMAA). All members must be an AMA member to join our Club. The Club field is located at the Sunnybrook State park on Newfield Rd. in Torrington.

If you are new to Radio Control flying, we have qualified pilots who can train you or help you move to the next level of ability.

Please check out our website at www.balsabandits.com. It will supply you with all the information on the club and the flying facility as well as membership applications.

We look forward to seeing YOU as a new member!
